1. Code of Conduct

At BigCorp, we believe that a strong ethical foundation is essential for long-term success. Every employee is expected to act with integrity, respect, and professionalism in all interactions -- with colleagues, customers, partners, and the public.

1.1 Core Values

- Integrity: We do the right thing, even when no one is watching
- Innovation: We challenge the status quo and embrace creative solutions
- Collaboration: We work together across teams and functions
- Customer First: Every decision considers the customer impact
- Ownership: We take responsibility for our actions and outcomes

1.2 V

BigCorp has zero tolerance for harassment, discrimination, or bullying of any kind. This includes but is not limited to: unwelcome comments about someone's race, gender, religion, sexual orientation, disability, or age. Any form of retaliation against someone who reports a concern is also strictly prohibited.

If you witness or experience inappropriate behavior, report it immediately to your HR Business Partner or use the anonymous Ethics Hotline at 1800-XXX-XXXX. All reports are investigated confidentially within 5 business days.

1.3 Conflict of Interest

Employees must disclose any situation where personal interests could conflict with BigCorp's interests. This includes: outside employment, financial interests in competitors or suppliers, and family relationships with other BigCorp employees in reporting lines. Disclosures are made via the COI form on the HR portal.

2. Compensation & Benefits

2.1 Salary Structure

BigCorp follows a transparent compensation philosophy. Salaries are benchmarked annually against industry data from Aon, Mercer, and Radford surveys. We target the 65th percentile for base salary and 75th percentile for total compensation (base + bonus + equity).

Component	Frequency	Eligibility

Performance Bonus	Annual (March)	L2+ with 1yr tenure
Stock Options (ESOP)	Annual vesting	L3+ (4-year vest, 1yr cliff)
Spot Bonus	Ad-hoc	Any employee, manager-nominated
Retention Bonus	One-time	Critical talent, VP-approved

3. Performance Management

3.1 Review Cycle

BigCorp runs a semi-annual performance review cycle:

Phase	Timeline	What Happens
Goal Setting	January / July	Set 3-5 OKRs with manager
Mid-Cycle Check	March / September	Progress review, course-correct
Self-Assessment	May / November	Employee writes self-review
Manager Review	June / December	Manager rates + writes feedback
Calibration	June / December	Skip-level alignment on ratings
Feedback Delivery	July / January	1:1 with manager, rating shared

3.2 Rating Scale

Rating	Label	Typical % of Employees
5	Exceptional	5-10%
4	Exceeds Expectations	20-25%
3	Meets Expectations	50-60%
2	Needs Improvement	10-15%
1	Unsatisfactory	0-5%

A rating of 2 for two consecutive cycles triggers a Performance Improvement Plan (PIP). A rating of 1 triggers an immediate PIP. PIPs are 60-90 days and include specific, measurable goals with weekly check-ins.

3.3 Promotions

Promotions are considered during the June and December calibration cycles. Requirements: minimum 18 months at current level, rating of 4+ in last cycle, and a written promotion packet reviewed by skip-level manager. Promotion packets include: impact summary, peer feedback, scope expansion evidence.
